The Faculty of Education, working group 5 Professorship: Educational Science with a focus on inclusion in an international context with special emphasis on diagnosis and support, offers a part-time research position starting as soon as possible (E13 TV-L, non-permanent position)

Your Tasks
- initiation and expansion of international teaching and research cooperations (70 %);
- scientific conception of research-relevant contents and formulations of concrete research approaches
- publication in English-language journals and scientific cooperation in the preparation of applications for third-party funding
- teaching in the scope of 2 courses, partly in English (20 %)
- collaboration in academic self-administration (10 %)

Your Profile
We expect
- university degree in educational science (German or equivalent foreign university degree), teacher training or a comparable degree
- good communicative competence for the synthesis, dissemination and transfer of results into international discourse (academic writing)
- very good English language skills
- independent and committed way of working
- strong organizational and coordination skills
- ability to communicate and to work in a team

Preferable qualifications
- experience in obtaining third-party funding
- experience in international publishing activities
- experience in the international university system, especially in the USA, England and Canada
- doctorate or highly advanced doctorate project

Remuneration
Salary will be paid according to Remuneration level 13 of the Wage Agreement for Public Service in the Federal States (TV-L). As stipulated in § 2 (1) of the WissZertVG (fixed-term employment), the contract will end after three years. In accordance with the provisions of the WissZertVG and the Agreement on Satisfactory Conditions of Employment, the length of contract may differ in individual cases. The employment is designed to encourage further academic qualification. The position is advertised as a 65 % part-time job. In individual cases, this percentage may be reduced on request, as long as this does not conflict with official needs.

Bielefeld University is particularly committed to equal opportunities and the career development of its employees. It offers attractive internal and external training and further training programmes. Employees have the opportunity to use a variety of health, counselling, and prevention programmes. Bielefeld University places great importance on a work-family balance for all its employees.

Application Procedure
For full consideration, your application should be received via either post or email (a single PDF) document sent to sekretariat.ew@uni-bielefeld.de by the 20th of April, 2018. Please mark your application with the identification code: wiss18037. Please do not use application portfolios and send only photocopies of original documents because all application materials will be destroyed at the end of the selection procedure. Further information on Bielefeld University can be found on our homepage at www.uni-bielefeld.de.

Bielefeld University has received a number of awards for its achievements in the provision of equal opportunity and has been recognized as a family friendly university. The University welcomes applications from women. This is particularly true with regard both to academic and technical posts as well as positions in Information Technology and Trades and Craft. Applications are handled according to the provisions of the state equal opportunity statutes. Applications from suitably qualified handicapped and severely handicapped persons are explicitly encouraged.
