International Guest Lectureship Programme

Record of the Guest:

Possible content of the short record of Bielefeld university’s guest lecturers in the International Guest Lectureship Program (IGD)

- number of participants of the lecture / seminar
- the participants’ academic qualification /prerequisite (have the students been able to understand the content and follow the course?)
- the level of language-wise and professional interaction with the students /the quality of students’ contributions (including quality of the results of assignments handed out to the students)
- possible problems with the organization of the stay and the lecture
- overall assessment of the faculty’s/ workgroup’s/ chair’s and of the International Office’s support
- what do generally think about the guest lectureship program?/ Proposals for further improvement
