

## Internship Opportunities with the Faculty of Engineering and Mathematics at Bielefeld University of Applied Sciences (FH Bielefeld), Germany

Open to: Master's level students from the University of Alberta, MacEwan University, or Concordia University of Edmonton studying Chemistry, Agriculture, Biotechnology, Applied Biology, or Engineering

Posting Date: October 23, 2020

Application Closing Date: December 15, 2020

Duration: from 3 months

With more than 10,000 students, FH Bielefeld University of Applied Sciences is the largest university of applied sciences in the region of OWL (East Westphalia-Lippe). Located in northwestern Germany, OWL is a region with an industrial focus, where business and science are closely connected. FH Bielefeld has study locations in Bielefeld, Minden and Gütersloh and is part of a vast network of regional, national and international contacts, partners and academic, economic, political and cultural cooperations. The university's paramount objective is to provide high quality teaching and research, supported by all its faculties: The Faculty of Design, Architecture and Technology (Minden Campus), Engineering and Mathematics, Social Sciences, Business and Health.

Students are welcome to apply for a research internship of at least 3 months with the Faculty of Engineering and Mathematics within the following research areas:

- Algae biotechnology
- Applied material sciences
- Biocatalysis
- Green synthesis
- Biofertilizers
- Biological pest control agents
- Biopolymers
- Digital/smart farming
- Ecofarming
- Nanotechnology
- Sustainable fashion

Working language will be English.

Please submit the following documents in a single PDF file:

- Letter of motivation  
(max. 1 page, please state the desired starting date, duration and whether the internship is mandatory)
- CV in tabular form
- A copy of your transcript of records

For further questions, please contact Vanessa Schaut at [vanessa.schaut@fh-bielefeld.de](mailto:vanessa.schaut@fh-bielefeld.de).

To submit an application, please contact the International Office of your institution. Please find the right contact person at <https://www.uni-bielefeld.de/internship-in-owl>

*Please note: Due to the ongoing COVID-19 pandemic, internships can only be taken up if international mobility is allowed by the home and host universities and if there are no travel restrictions.*
